

# REAPS READER

Have you helped the environment today?

The month of May is very busy at REAPS! We have our Annual Plant Sale, our biannual Junk in The Trunk Sale, Pond Study at Forest for the World and our garden opens up! Give us a call or email to book a garden tour or other garden activities.

## REAPS Annual Plant Sale

Held at REAPS Compost Demonstration Garden on (May 26th 10am–2pm) there are a variety of herbs, vegetables, hanging baskets, annuals and shrubs. All awaiting to find homes in your garden.

**BONUS:** if you are a member you can shop at the plant sale 15 mins before anyone else! Sign up as a member on our website using Paypal or mail in a cheque.

## Junk in The Trunk

The Spring Junk in the Trunk Sale will be on May 5th from 9:00 AM–1:00 PM. The sale will be in the CN Centre Parking Lot. One person's trash is another person's treasure.

You must register to sell your Junk! Call or email to book a spot to sell your Junk. We recommend booking a spot early because spots fill up fast. A donation of \$10 covers the space.
