Coffee Filter & Water Colour Poppies

Supplies

- ◆ Paper coffee filters (at least 2 per poppy)
- ◆ Red paint (you can use a variety of shades)
- ◆ Paint brush
- ◆ Black button
- ◆ Green button
- ◆ Glue

Instructions

- ◆ You'll need at least 2 coffee filters per poppy.
- ◆ Paint your coffee filters, completely covering one side of the filter with red paint.
- ◆ Dry the coffee filters with a hair dryer.
- ◆ Next, crumple the dry, painted coffee filters into tight, little balls.
- ◆ Now, uncrumple them, so they're somewhat smooth, but still wrinkly.
- ◆ Layer 2 or 3 coffee filters loosely together, and pinch the center-back of the filters together, giving a little twist to hold them together.

Recycle Those Old Toys!

November 16th REAPS host their Annual Recycle Toy Drive. Collecting quality used toys that can be dropped off at the REAPS office (1950 Gorse Street) between 10:00am and 2:00pm. These toys will be delivered to local children organizations where they will then be distributed to children during the holiday season bringing joy to another child!

We will also be accepting donations to the SPCA and the PG Humane Society at this time!
