

Hello, my worm buddies, Wilma the Worm here. I can't believe the year is already over! On behalf of my fellow worms, we would like to thank you one more time for taking such great care of us and teaching you about worms and how we help the environment. Though time has flown by, I will always remember your tasty food scraps and your tickly fingers! My worm friends and I will be spending the summer at the REAPS garden, where you are welcome to visit us with your families and enjoy the tasty variety of garden produce. Happy Summer! *Teachers if you are interested in participating in the Adopt-A-Worm program in September register by calling 250-561-7327 or email garden@reaps.org*

congratulations!

To the following classes who graduated from the

You know what they say Mum:
The early bird catches the worm! So I'm sleeping in...
