

REAPS READER

Have you helped the environment today?

School Programs

Did you know that REAPS has over **30** FREE presentations? If you are interested in REAPS coming to your classroom you can ask for poster outlining details at garden@reaps.org or download one at www.reaps.org or call 250-561-7327. We look forward to hearing from you.

Ellie the Elephant and Plastics

Do you know what plastic is made of? Find out in this interactive presentation. Not only will you learn how it is made but, also its history, everyday uses and how it is recycled!

H2Ozone

Do you ever wonder where the smoke goes as it rises into the air, or why your favorite swimming hole is covered in green gunk? In this interactive program children will get a close up look at the air and water cycles, how they are polluted, and why it is

Are you Wasting Your Waste?

Ever wondered what it would be like to have your own landfill? Wonder no more! Build your own, in this exciting, interactive presentation on our landfill, how garbage effects the environment and alter-

MEET DUMPY!

Ever met a real live walking, talking landfill? Well, here is your chance. "Dumpy, the Overfed Landfill" will introduce your class to recycling, waste reduction and the effects of an overfed landfill such as green house gases and methane.

Coming Up

REAPS' Waste Reduction Challenge: October is Waste Reduction Month, and its honour REAPS will be challenging local classrooms to reduce the amount of waste they throw away. The contest will take place October 15-19 and the class that reduces their waste the most will win **\$200** for their classrooms. More details will be in October's castings but if you already know you want to compete contact REAPS at 250-561-7327 or events@reaps.org

International Walk to School Week: From October 8th to 12th DASHBC and HASTeBC will be hosting BC's part of international walk to school week. This event is designed to show people the benefits that arise from walking to school. Registration can take place online at <http://dashbc.ca/forms/iwalk2012/>, the amount or planning packages is limited, or you can organize your own group if online registration is no longer available.

In partnership RDFFG, BC Government - Direct Access Funding and with Science World's Scientist and Innovators in the School (SIS) program, REAPS school programs is supported by the Program for the Awareness and Learning of Science (BC PALS) thanks to the province of British Columbia through the Ministry of Education.
