

REAPS READER

Have you helped the environment today?

Junk in the Trunk

Have you been doing some Spring Cleaning? Are you looking for a new treasure? REAPS in Partnership with the Regional District of Fraser Fort George is happy to present Junk in the Trunk for another year. On May 3rd from 9am to 1pm come down to the CN Center Parking lot for a giant garage sale. If you are wishing to sell please pre-register (the only cost is a \$10 donation) and set up to sell items from the trunk of your car. If you are searching then drop by anytime and take a look at what people have in their trunks.

City Wide Spring Cleanup

Want to help clean up the city from all the winter garbage? Well grab a bag and a gloves and lets get cleaning!

On April 27th from 10am to 4pm our city will be cleaned to the nines. If you are interested in helping give REAPS a call to register. This way we can ensure that area all over the city are getting a good clean. We will also be happy to provide bags and gloves to all registered groups, and prizes for both residents and business!

On New Years Day many people make resolutions to help themselves, this Earth Day make a resolution to help the planet! Some ideas to get you started:

- ~ donate or give away toys that you no longer use so someone else can enjoy them
- ~ buy items for a second hand shop
- ~ buy toys made out of recycled material
- ~ make gifts instead of buying them
- ~ plant a tree
- ~ help your family start a composter or vermicomposter
- ~ walk or take a bike whenever you are going some where near by
- ~ car pool with friends or co-workers when going to work or school
- ~ bring lunch in reusable containers
- ~ take containers with you to restaurants to place leftover inside

Whatever change you make, no matter how small, will have lasting impacts on the Earth!
Happy Earth Day!
