Earth Day began as an endeavor to care more for our Earth and bring attention to environmental concerns. Today, Earth Day focuses more on climate change and taking individual responsibility in making change.

Here are some ways to celebrate Earth Day this year!:

- Go for a hike—reconnect with the Earth
- Get involved with a community garden, or give yours some attention
- Plant a tree
- Donate old or unused clothing to charity
- Throw a green party with meatless food options

Remember that Earth Day only comes once a year, but every-day is a good day to do something for the earth!

For more fun Earth Day activities, give the Earth Day word search a try! You can also get your classroom involved in Earth Day by organizing a litter pick up at lunch and recess, making recycled crafts or cards, or just making sure your worms get some extra special attention!
