October is Waste Reduction Month!

Want a chance to win **\$200** for your classroom? Participate in the Waste Reduction Challenge! Oct 17—21st. The class that throws away the **LEAST** amount of garbage wins! The best part of the challenge is that **every participant is a winner** because they are helping to protect our environment!

Register: contact REAPS at 250-561-7327 or events@reaps.org to receive an information package!

In partnership RDFFG, BC Government - Direct Access Funding and with Science World's Scientist and Innovators in the School (SIS) program, REAPS school programs is supported by the Program for the Awareness and Learning of Science (BC PALS) thanks to the province of British Columbia through the Ministry of Education.
